Andrea Mendiola-Iparraguirre, M.D.

Assistant Professor, Department of Psychiatry

Yale University

Andrea Mendiola-Iparraguirre, M.D., is an Assistant Professor at Yale University, Department of Psychiatry. She is a community mental health clinical practitioner in the Hispanic Clinic and Outpatient Services Division. As a part of this work, she provides bilingual and bicultural mental health services to the monolingual Spanish speaking population. In addition to clinical services, Andrea provides supervision to fellows, residents, and medical students rotating at the clinic. Andrea completed a Residency Program in Psychiatry with two subspecialties, Public Psychiatry and Hispanic Psychiatry. With expertise in culture and minority populations, she has worked with a variety of teams and presented trainings, nationally and internationally, as a part of professional development conferences and meetings.
